

Institutional Repositories/ University & College Library Websites

- 1) **Amherst College** **eScholarship@Amherst**
A Digital Commons Project
<http://escholarship.amherst.edu/>

The repository is a service of Amherst College Library libraries. Research and scholarly output included here has been selected and deposited by individual departments and centers on campus.

- 2) **Boston University** **Digital Research Archive (DRA)**
<http://digilib.bu.edu/dspace/>

The Digital Research Archive (DRA) is an open access repository powered by DSpace and designed as a place to capture, store, index, preserve and redistribute in digital formats the intellectual work of the Boston University faculty, staff, students and the university research materials collected by its libraries.

- 3) **Brigham Young Univ** **BYU Institutional Repository**
DSpace Institutional Repository Goes Live!
<http://dspace.byu.edu/>

The repository is a location where BYU faculty members may publish their scholarly work to be preserved in electronic form and distributed over the internet.

- 4) **Byrn Mawr College** **Triptych**
TriCollege Digital Library
<http://tripitych.byrnmaur.edu>

Triptych: A digital initiative of Bryn Mawr, Haverford and Swarthmore College Libraries, builds on the cooperative catalog that merges the collections of three colleges founded on the Quaker traditions of social conscience and thoughtful citizenship. Triptych draws from four repositories – Bryn Mawr College Library Special Collections, Swarthmore College Peace Collection, Haverford College Library Special Collection and the Friends Historical Library of Swarthmore College.

- 5) **Case Western Reserve** **Digital Case**
<http://library.case.edu/digitalcase/>

Digital Case is CWRU's digital library, which archives, preserves and disseminates the intellectual output of research at Case in electronic formats, as well as collections of historic library materials that have been digitized. With Digital Case, the Kelvin Smith Library assumes an active role in the scholarly communication process, providing expertise in the form of a set of services for access, distribution and long-term preservation of Case's collective intellectual output.

- 6) Columbia University *DigitalCommons@Columbia*
<http://digitalcommons.libraries.columbia.edu/>

DigitalCommons@Columbia is a pilot project for building a Columbia University institutional repository and is a service of Columbia University Libraries.

- 7) Cornell University Cornell University Open Access Repository
<http://dspace.library.cornell.edu>

The Cornell University Library Digital Repository is powered by DSpace and is open for anyone at CU as a place to capture, store, index, preserve and redistribute CU faculty, staff, student or organizational research materials in digital formats.

- 8) Florida State Univ D-Scholarship Repository
<http://dscholarship.lib.fsu.edu/>

The FSU Libraries are cultivating a campus of faculty and students skilled in creating, managing and using digital information. The Library now offers the D-Scholarship campus digital repository. D-Scholarship accommodates materials such as working papers, preprints, technical reports, conference proceedings, research data, electronic presentations, multimedia files, and simple Web documents, in nearly any electronic format.

- 9) Harvard University Digital Collections at Harvard
<http://digitalcollections.harvard.edu/>

Harvard provides an open, online access to a growing number of its subject-specific collections including, ... View more collections.

- 10) Indiana University IUScholarWorks
<https://scholarworks.iu.edu/dspace/index.jsp>

IUScholarWorks is a set of services from the IU Libraries and Digital Library Program to make the work of IU scholars freely available, while ensuring that these resources are preserved and organized for the future. After testing on the Bloomington campus, the services will be offered to other IU campuses who are interested in participating.

- 11) Johns Hopkins Univ Library Digital Programs (LDP)
<http://ldp.library.jhu.edu/>

Library Digital Programs (LDP), within the Sheridan Libraries of JHU, focuses on digital collections, services, and infrastructure to support the research, learning, scholarly communication and preservation needs of the university. The LDP comprises the research and development unit, the Digital Knowledge Center, digital library services, and digital library collections.

- 12) Louisiana State Univ LOUISiana Digital Library
<http://louisdl.louislibraries.org>

Welcome to the LOUISiana Digital Library, Louisiana's doorway to the unique cultural and historical resources of Louisiana's libraries, archives, museums, and other cultural institutions.

- 13) New York University NYU Faculty Digital Archive
<http://archive.nyu.edu>

The Faculty Digital Archive is a place where full-time NYU faculty can deposit their work in digital form.

- 14) North Carolina St Univ Scholarly Publications Repository
<http://www.lib.ncsu.edu.cataloging/NCSU>

What began as the Faculty Publications Database in 1996 has become a listing of the published output of the entire NCSU campus community over the last ten-plus years, with citations culled from various bibliographic databases, pages of the NC State *Bulletin*, departmental websites, and correspondence with campus authors.

- 15) Oregon State Univ ScholarsArchive@OSU
<http://ir.library.oregonstate.edu/dspace/>

The digital service of the OSU Libraries provides a permanent means for faculty members to store their research and teaching output, for students to do the same with their research, to make this information widely available and for the institution to maintain its historical records.

- 16) Rice University DSpace at Rice: DSpace is Live
<http://dspace.rice.edu>
Digital Library Information: IRs
<http://dspace.rice.edu/handle/1911/6738>

Welcome to the initial version of DSpace at Rice. We'll be defining and refining this site as we again experience with our pilot project.

- 17) State Univ of New York SUNY Digital Repository
DSpace at SUNY
<http://dspace.sunyconnect.suny.edu/>

Welcome to the Digital Repository of the State of New York!

- 18) Tufts University Perseus Digital Library
<http://www.perseus.tufts.edu>

Perseus is an evolving digital library, engineering interactions through time, space and language, ... We anticipate that greater accessibility to the sources for the study of the humanities will strengthen the quality of questions, lead to new avenues of research, and connect more people through the connection of ideas.

- 19) University of California eScholarship Repository
<http://repositories.cdlib.org/escholarship/>

The repository is a service of the eScholarship initiative of the California Digital Library. Research and scholarly output included here has been selected and deposited by the individual University of California units.

- 20) University of Chicago Univ of Chicago Digital Activities & Collections
<http://lib.uchicago.edu/e/dl/>
Digital Library Program (DLP)
<http://lib.uchicago.edu/e/dl/program.php3>

The UC Library's Mission Statement recognizes the importance of digital resources, ... The Library facilitates the creation, discovery and use of these resources and ensures the long-term preservation, availability, and access to these resources. The DLP provides organizational structure and institutional commitment for achieving these goals.

- 21) University of Maryland Digital Repository Univ of Maryland (DRUM)
<https://drum.umd.edu/dspace/>

Welcome to the repository for the University of Maryland research. Any UM faculty member can make digital works permanently accessible and available across the Internet with DRUM.

- 22) University of Michigan Deep Blue at the University of Michigan
<http://deepblue.lib.umich.edu/index.jsp>

Deep Blue is the UM's permanent, safe, and accessible service for representing our rich intellectual community. Its primary goal is to provide access to the work that makes Michigan a leader in research, teaching, and creativity.

- 23) Univ of Wisconsin Systems MINDS@UW
<http://minds.wisconsin.edu/>

MINDS@UW is designed to store, index, distribute, and preserve the digital materials of the University of Wisconsin. The content, which is deposited directly by UW faculty and staff, may include research papers, preprints, datasets, photographs, videos, learning objects, theses, student projects, conference papers, or other intellectual property in digital form. Content is then distributed through a searchable Web interface.

- 24) Vanderbilt University VU e-Archive
<http://e-archive.vanderbilt.edu/index.jsp>

The VU e-Archive collects, preserves, indexes, and distributes digital scholarly output of the Vanderbilt faculty. It uses an open-access software called DSpace.

- 25) Yale University Yale Univ Libraries Digital Collections
<http://www.library.yale.edu/libraries/digcoll.html>

The Library's Digital Collections, available via a browser, are listed below. Internet Explorer is the preferred browser for accessing the collection.
